#### INDEPENDENT AUDITOR'S REPORT

Board of Directors of Community Action Commission of Fayette County

#### **Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of Community Action Commission of Fayette County which comprise the consolidated statement of financial position as of February 28, 2019 and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

#### Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of these consolidated financial statements that are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Community Action Commission of Fayette County as of February 28, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for the purpose of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 30, 2019, on our consideration of Community Action Commission of Fayette County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Commission of Fayette County's internal control over financial reporting and compliance.

#### 1. Summary of Significant Accounting Policies

#### **Nature of operations**

Community Action Commission of Fayette County (the Organization) is a nonprofit organization formed to develop and provide resources for the purpose of assisting low-income individuals through a variety of programs. The Organization is primarily supported through federal and state grants.

Washington Supply Fayette, LLC is a limited liability company established in April 2008 for the purpose of being a for-profit business venture, while at the same time assuring the supply of quality building materials to its self-help housing homeownership participants at affordable prices. The Community Action Commission of Fayette County is the sole member of the company.

# Adoption of new accounting principle

In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-14, Presentation of Financial Statements of Not-for-Profit Entities. The purpose of the ASU is to improve financial reporting by not-for-profits. The ASU, among other things, simplifies the classification of net assets and changes in net assets, requires not-for-profit entities to provide an analysis of expense by natural and functional classifications, and requires enhanced financial statement disclosures regarding a not-for-profit entity's liquidity and availability of resources, self-imposed or donor-imposed limits on the use of resources and methods used to allocate costs among program and support functions. The ASU is effective for annual periods beginning after December 15, 2017 and is to be applied retrospectively to all periods presented, except for a permitted option to only provide disclosure analysis of expenses by functional classifications and liquidity and availability of resources in the period of adoption. The Organization adopted the ASU effective March 1, 2018. Adoption of the ASU did not result in any reclassifications or restatements to net assets or changes in net assets.

#### **Principles of consolidation**

The accompanying consolidated financial statements include the accounts of the Organization and its affiliate, Washington Supply Fayette, LLC. Significant intercompany accounts and transactions have been eliminated in consolidation, and are presented after eliminating entries were made. Intercompany transactions include revenue and expenditures between related parties.

The Organization serves as the sponsoring organization for the following nonprofit corporations under the United States Housing and Urban Development (HUD) Section 202 program for supportive housing for the elderly. Each entity is under the sponsorship of the Organization. The Organization's governing board appoints members to the board of the sponsored organizations and provides management services. At the inception of each project, the Organization provided a minimal capital investment to cover start-up expenses. However, the Organization has no ongoing economic interest in any of the entities. All of the projects were funded prior to 2018. Each of the entities operates rental housing. Because there is no economic interest in any of the related organizations, they have not been consolidated in the financial statements of the Organization in accordance with the provisions of Financial Accounting Standards Board Accounting Standards Codification (ASC) Section 958-810-25. Transactions with these parties are discussed further in Note 15.

#### **Basis of presentation**

The consolidated financial statements of the Organization and its affiliate are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### Classification of net assets

Net assets and revenue, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Without donor restrictions – Net assets that are not subject to donor-imposed stipulations.

With donor restrictions — Net assets that are subject to donor-imposed stipulations that will be satisfied, either by actions of the Organization and/or the passage of time. When a restriction expires, net assets with donor restrictions are transferred to net assets without donor restrictions and reported in the consolidated statement of activities and changes in net assets as net assets released from restrictions. The amount of net assets with donor restrictions at February 28, 2019 is \$5,807,516.

#### Use of estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Revenue recognition

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions received are recorded as without donor restrictions or with donor restrictions, depending on the existence and nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the consolidated statement of activities and changes in net assets as net assets released from restrictions. If the restriction expires in the same accounting period the contribution is received, the revenue is shown as net assets without donor restrictions.

Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Program contributions represent amounts contributed by program beneficiaries. The contributions are to help defray the cost of the specific program in which the beneficiary received assistance. The contributions are recorded as revenue with donor restrictions due to the implied stipulation that the contributions be used in the program the beneficiary received assistance. When a restriction expires, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the consolidated statement of activities and changes in net assets as released from restrictions.

Grants are either recorded as contributions or exchange transactions based on criteria contained in the grant award.

#### A. Grant awards that are contributions

Grants that qualify as contributions are recorded as invoiced to the funding sources. Revenue is recognized in the accounting period when the related allowable expenses or asset acquisition costs are incurred. Amounts received in excess of expenses or asset acquisitions are reflected as refundable advances.

#### B. Grant awards that are exchange transactions

Exchange transactions reimburse based on a predetermined rate for services performed. The revenue is recognized in the period the service is performed.

#### Refundable advances

Refundable advances represent monies advanced by the funding source for which the Organization has not yet performed the contracted services as of February 28, 2019.

#### Forgivable notes payable

The Organization receives funds from non-profit agencies in the form of notes payable agreements with terms that the note payable agreement is forgiven at the end of the 30-45 year compliance period as long as compliance is maintained with the provisions in the agreements. Additionally, the Organization received funds in the form of notes payable agreements that are forgiven ratably over the 30 year compliance period as long as compliance is maintained with the provisions in the agreements. The Organization recognizes these as restricted contribution revenue with the temporary restriction released either ratably over the 30 year compliance period or at the end of the 30-45 year compliance period when the compliance criteria has been met.

#### Cash and cash equivalents

For the purpose of reporting cash flows, cash and cash equivalents includes all highly liquid debt instruments purchased with a maturing of three months or less to be cash equivalents. There were no cash equivalents as of February 28, 2019.

#### Investments

On February 19, 2015, the Organization entered into an HDAP grant agreement with Ohio Housing Finance Agency (OHFA) related to Fayette Landing Limited Partnership in the amount of \$350,000. In 2017, the Organization received the HDAP grant funds from OHFA and provided them to Fayette Landing Limited Partnership as a general partner capital contribution. This investment is accounted for under the equity method of accounting.

#### Accounts and grants receivable

Accounts and grants receivable are stated at unpaid balances. It is the Organization's policy to charge off uncollectible accounts when management determines the receivable will not be collected. The Organization considers its accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required.

#### Notes receivable / interest receivable - related parties

The Organization has received award funds for housing development. The Organization has loaned these funds to various affiliated limited partnerships (see Note 6). The Organization assesses the collectability of these notes receivable and accrued interest receivable based on the financial condition of the affiliates. The Organization has recorded an allowance for uncollectible accounts of \$4,466,663 due to the uncertain collectability of these balances. Bad debt expense totaling \$469,198 was recognized for the year ended February 28, 2019, and was netted with interest income.

#### **Fixed assets**

Equipment purchased with non-grant award funds is recorded at cost. Depreciation of equipment is computed using the straight-line method over the estimated useful lives of the assets. The Organization follows the policy of capitalizing all expenditures for purchased equipment of \$1,000 or greater. Expenditures of equipment, which increase the values or extend the useful lives of the respective assets, are capitalized. Routine maintenance and repairs, which do not improve or extend the useful lives of the respective assets, are charged to expense as incurred.

The equipment acquired using grant awards is owned by the Organization while used in the program for which it was purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the equipment purchased with grant funds and, therefore, its disposition, as well as the ownership of any proceeds are subject to funding source regulations. As of February 28, 2019, the net book value of property and equipment recorded as net assets with donor restrictions totaled \$530,619.

#### **Donated services**

The Organization received contributions of nonprofessional volunteer services during the year with a fair value of \$586,928, primarily for its Head Start program. The nonprofessional volunteer services are not reported in the consolidated statement of activities and changes in net assets.

#### Nonconsolidated interests in Partnerships

The Organization, through its wholly-owned entities, owns less than 1% general partner interests in multiple limited partnerships which operate low income housing projects. Based on various provisions in the partnership agreements, the general partner does not have exclusive control, therefore, the general partners interest are accounted for under the cost method of accounting. The Organization's initial investment in these limited partnerships is insignificant.

#### Income taxes and uncertain tax positions

Community Action Commission of Fayette County is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. The Organization's reporting returns are subject to audit by federal and state taxing authorities. No income tax provision has been included in the consolidated financial statements as the Organization has determined it does not have unrelated business income subject to taxation.

Washington Supply Fayette, LLC has determined that all income tax filing petitions would be sustained upon examination. Washington Supply Fayette, LLC had a \$28,558 net loss resulting in no estimated tax liability. No reserves or related accruals for interest and penalties have been recognized as of February 28, 2019 for uncertain income tax positions.

#### Functional expenses and cost allocation

The cost of providing the various programs and other activities has been summarized on a functional basis in the consolidated statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

Joint costs are allocated to benefitting programs using various allocation methods, depending on the type of joint cost being allocated. Joint costs are those costs incurred for the common benefit of all organization programs, which cannot be readily identified with a final cost objective.

#### Subsequent events

The Organization evaluates events and transactions occurring subsequent to the date of the consolidated financial statements for matters requiring recognition or disclosure in the consolidated financial statements. The accompanying consolidated financial statements consider events through July 30, 2019, the date which the consolidated financial statements were available to be issued.

#### 2. Concentration of Credit Risk

The Organization maintains cash balances at several banks. Balances in the bank accounts are insured by Federal Deposit Insurance Corporation (FDIC) coverage up to \$250,000. At times during the year, balances in the banks may exceed insurance limits. Management believes the financial institutions have strong credit ratings and credit risk related to these deposits is minimal. As of February 28, 2019, the Organization's cash and cash equivalents on deposit exceeded the FDIC limit by \$162,712.

# 3. Fixed Assets

#### 7. Financing Receivables and the Allowance for Credit Losses

The Organization considers the notes receivable – related parties summarized in Note 6 related to low income housing to be performing in accordance with the low income housing programs for its real estate investments. These advances will be repaid either from the cash flow of the properties or the ultimate outcome and valuation of the transfer of the property at year 15 which is used to settle any unpaid amounts due. These notes receivable are due based on the cash flow of the low income housing projects and; therefore, are not considered past due based on the Organization's policy and terms for these notes receivable. As of February 28, 2019, an allowance for uncollectible accounts for the accrued interest receivable totaled \$4,466,663. Interest income totaling \$469,198 was recorded for the year ended February 28, 2019, and was netted with bad debt expense.

#### 8. Line of Credit

The Organization has a line of credit with the maximum amount available of \$150,000 to the Tony R. Wells Foundation with a 4.5% per annum on all proceeds advanced due April 1, 2020. The construction, purchase, and rehab accounts are used to pay the draws from contractors during the construction or rehab of a house. These draws are shown on the consolidated statement of financial position as "Property Held for Sale" (asset) and "Line of Credit" (liability). Once a house is sold, the line of credit is paid down. As of February 28, 2019, the amount payable under this line of credit was \$-0-. Interest expense totaling \$1,164 was paid during the year ended February 28, 2019 under this line of credit.

# 9. Mortgages and Notes Payable

#### Notes payable - HAC and RHLF

Arrowhead Subdivision

In fiscal year 2008, the Organization received a \$705,000 (\$712,050 loan less HAC's 1% service fee of \$7,050) loan from the Housing Assistance Council (HAC). This loan is comprised of the Self-Help Homeownership Opportunity Program (SHOP) for \$450,000 (non-interest bearing until after the due date when the total outstanding principal balance on the loan shall bear interest at HAC's then prevailing interest rate) and the Rural Housing Loan Fund (RHLF) for \$255,000.

The SHOP loan is secured by single family building lots in the Arrowhead Subdivision in Frankfort, Ohio (originally 30). The loan currently bears interest at 0%. The proceeds of the loan were used toward infrastructure improvements for the lots to be sold to homebuyers. Upon a finding that the proceeds were expended for eligible purposes and the conditions of the loan were satisfied, and when HAC has closed out its grant agreement with HUD, HAC will make a determination to formally forgive up to 80% of the amount then due. The forgivable portion of the SHOP loan must continue to be used for SHOP-eligible purposes. The SHOP loan plus interest is due upon the sale of the lots improved on a prorated basis or was due by December 31, 2009. However, various extensions have been approved through May 1, 2019.

The RHLF loan is secured by single family building lots in the Arrowhead Subdivision in Frankfort, Ohio. The loan bears interest at 2.5%. The proceeds of the loan were used toward infrastructure improvement for the lots to be resold. The RHLF loan plus interest is due upon the sale of the lots improved on a prorated basis or was due by December 31, 2009. However, various extensions have been approved through May 1, 2019.

#### Arbor Village 5

In 2008, the Organization received a \$768,000 (\$774,180 loan less HAC's 1% service fee of \$6,180) loan from the Housing Assistance Council (HAC). This loan is comprised of the Self-Help Homeownership Opportunity Program (SHOP) for \$150,000 (non-interest bearing) and the Rural Housing Loan Fund (RHLF/HLP) for \$618,000.

The SHOP loan is secured by single family building lots in the Arbor Village 5 Subdivision in Washington Court House, Ohio. The proceeds of the loan were used toward the purchase of the lots and infrastructure improvements for the lots to be sold to homebuyers. Upon a finding that the proceeds were expended for eligible purposes and the conditions of the loan were satisfied, and when HAC has closed out its grant agreement with HUD, HAC will make a determination to formally forgive up to 80% of the amount then due. The forgivable portion of the SHOP loan must continue to be used for SHOP-eligible purposes. The \$120,000 SHOP portion was forgiven fiscal year ending February 28, 2012.

The RHLF/HLP loan is secured by single family building lots in the Arrowhead Subdivision in Frankfort, Ohio. The loan currently bears no interest. The proceeds of the loan were used toward the purchase of lots to be sold to homebuyers. The RHLF/HLP loan is due upon the sale of the lots and is based on a new note which was due December 31, 2014, however various extensions have been approved through June 30, 2017.

During fiscal year 2018, the Organization entered into a Workout and Restructuring Agreement that consolidated its outstanding RHLF and HLP Loans.

During fiscal year 2019, in accordance with the loan agreement, the HAC loan was forgiven in the amount of \$278,861. The RHLF loan was paid in full from proceeds from the First State Bank note as described below.

Head Start Fixed Assets with Purpose Restrictions

530,619 \$ 5,807,516

#### 12. Related Party Transactions

The Organization, through wholly-owned entities general partnership interest in various low income affordable housing partnerships, has entered into agreements with these entities as follows:

#### Notes receivable using federal and state funding

As summarized in Footnote 6 to the financial statements, the Organization has entered into note receivable agreements bearing interest ranging from 0% to 6.99%. The notes receivable have collateral of a mortgage on the real estate subordinate to bank debt and have various payment terms. The outstanding balance as of February 28, 2019 totaled \$5,560,236. Interest receivable on these notes receivable totaled \$4,466,663 as of February 28, 2019, which has been fully reserved.

#### 13. Commitments and Contingencies

The Organization participates in a number of federally assisted and state grant programs. These programs are subject to program compliance audits by the grantors and their representatives. Any disallowed costs may constitute a liability of the Organization.

#### 14. Liquidity and Availability of Resources

The Organization has financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures. This amount consists of cash and accounts receivable as presented on the accompanying consolidated statement of financial position. None of these amounts are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the consolidated statement of financial position.

The Organization manages its liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenditures in meeting its liabilities and other obligations as they become due. The Organization maintains financial assets on hand to meet normal operating expenses. As more fully described in Note 8, the Organization also has a committed line of credit, which it could draw upon in the event of an unanticipated liquidity need.

# 15. Sponsored Entities

As discussed in Note 1, the Organization is the sponsoring organization for 3 nonprofit corporations that operate HUD-supportive housing projects. As the sponsor, the Organization ensures that supportive services are provided to the residents. The Organization also provides management and other related services to these entities. Each entity is a separate nonprofit corporation. The following financial information has been summarized from the audited financial statements of each entity as of and for the year ended December 31, 2018.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors of Community Action Commission of Fayette County

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Community Action Commission of Fayette County (a non-profit organization), which comprise the consolidated statement of financial position as of February 28, 2019, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated July 30, 2019.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered Community Action Commission of Fayette County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Community Action Commission of Fayette County's internal control. Accordingly, we do not express an opinion on the effectiveness of the Community Action Commission of Fayette County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Community Action Commission of Fayette County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

# **Purpose of this Report**

Tidwell Group, LLC

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Community Action Commission of Fayette County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Commission of Fayette County's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors of Community Action Commission of Fayette County

#### Report on Compliance for Each Major Federal Program

We have audited Community Action Commission of Fayette County's compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on Community Action Commission of Fayette County's major federal program for the year ended February 28, 2019. Community Action Commission of Fayette County's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for Community Action Commission of Fayette County's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action Commission of Fayette County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance with the major program. However, our audit does not provide a legal determination of Community Action Commission of Fayette County's compliance.

# **Opinion on the Major Federal Program**

In our opinion, the Community Action Commission of Fayette County complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended February 28, 2019.

Atlanta | Austin | Birmingham | Columbus

#### **Report on Internal Control Over Compliance**

Management of the Community Action Commission of Fayette County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on the major program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirements of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit the attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of our testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### **NOTE 1. Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards (Schedule) includes the federal award activity of Community Action Commission of Fayette County under programs of the federal government for the year ended February 28, 2019.

The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Since the schedule presents only a selected portion of the operations of Community Action Commission of Fayette County, it is not intended to and does not present Community Action Commission of Fayette County's financial position, change in net assets, or cash flows.

#### **NOTE 2. Summary of Significant Accounting Policies**

- (a) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- (b) Community Action Commission of Fayette County has elected not to use the 10 percent de minimus indirect cost rate as allowed under the Uniform Guidance.
- (c) Pass-through entity identifying numbers are presented where available.
